

# Reception's Weekly Newsletter

**Date: Monday 15 July 2024**

*Welcome to our final newsletter of the year!*

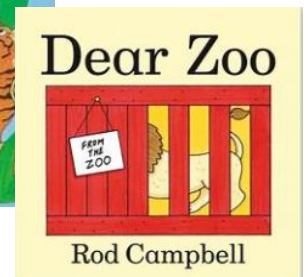

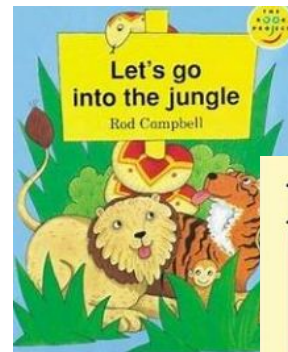

*We have had fun exploring wild animals that may live in Africa. We loved going on 'safari' in Woodland Learning today and prepared last week by making our very own binoculars. There was great excitement as we spotted a snake, lion and monkey, among other animals!*

*We hope you enjoy reading your child's end-of-year report today, which celebrates their achievements and unique interests. We are very proud of each child. It has been a real pleasure to see them all learn and grow in so many ways over this year.*

*We hope your children really enjoy their last few days in their Reception classes and we look forward to welcoming them back in September as Year 1 pupils!*

## **This week's learning includes:**

- **Wild animals:** going on 'safari' in Woodland Learning. Writing a postcard about what we saw!
- *Let's Go Into the Jungle* and *Dear Zoo*, popular storybooks by Rod Campbell.
- **Maths:** addition, subtraction, number sentences, number bonds, exploring Year 1 maths resources.

## **Reminders**

**Tapestry:** If you haven't already done so, please download your child's Tapestry journal by **Friday (19th)** at the very latest. Please let us know if you need any help. Here is a guide:

[How to download your child's journal - Tapestry for parents - YouTube](#)

**Reading Books:** We will collect in all the Read Write Inc books and sharing books on Wednesday and Thursday this week. Please ensure they are in your child's bookbag. We would also be very grateful if you could have a check to see if any school reading books are hiding somewhere in your house, such as under a bed or behind a sofa! Many thanks.
